The certification signifies a hospital's commitment to delivering comprehensive nursing services, covering health promotion, disease prevention, and therapeutic care, while prioritising patient safety, competence, and ethical standards.

Hyderabad: [Fernandez Hospital](#), Hyderguda, has received Nursing Excellence Certification from the National Accreditation Board for Hospitals and Healthcare Providers (NABH) and Quality Council of India.

The NABH certification is awarded to healthcare facilities that consistently adhere to global standards across multiple facets of nursing care, including patient care, education, resource management, quality assurance, communication, guidance, and infection control, a press release said.

The certification signifies a hospital’s commitment to delivering comprehensive nursing services, covering health promotion, disease prevention, and therapeutic care, while prioritising patient safety, competence, and ethical standards.

Dr Evita Fernandez, Chairperson of Fernandez Foundation, said, “the certification is a testament to the unwavering commitment of our nursing team, and signifies the outstanding quality of nursing at Fernandez Hospital.”
