

Making Birthing A Blissful Journey for Every Mother

Mission

We are committed to providing access to excellent, equitable, evidence-based and respectful healthcare for women and the newborn. We believe that life is sacred and precious and we do our best to affirm and preserve it always.

Vision

A world in which every woman and child has access to high-quality, compassionate care, that enables a life of respect and dignity.

Quality Statement

To meet the highest standards of practice by ensuring continuous quality improvement and safety at affordable cost.
